

# Test In Your Tank!

## Here's how it works:

Simply request a Wilo mixer to "Test in your Tank", from your Wilo representative - No cost, no obligation.

At the end of the trial period, if you don't think it's the absolute best mixer you've ever used, simply send it back, no strings attached!

If you'd like to keep the mixer, simply authorize payment, and enjoy the benefits of Wilo mixer technology for years to come.
